Premia Properties supported the 11th Symplefsi “Diaplous” Mission

Premia Properties proudly supported for another year the Symplefsis “Diaplous”/Passage, which took place from May 2 to 11, 2025. This year's mission, in which Mr. Nikolaos Baziotis, CFO/CIO of the company, participated alongside more than 100 volunteers, covered over 400 nautical miles and visited the islands of Serifos, Sikinos, Anafi, Pserimos, Agathonisi, Arki, Lipsi and Donoussa, providing free medical services, cultural activities and infrastructure projects to local communities.

As part of its ongoing partnership with Symplefsi, **Premia Properties contributed €12,650 this year for the renovation of the Donoussa Primary School**, demonstrating its continued commitment to meaningful social initiatives, especially those aimed at improving educational infrastructure across Greece.

Mr. Baziotis stated: *“All of us at Premia Properties take pride in continuing our collaboration with Symplefsi for the third consecutive year to support islands in need. The Diaplous journey is always a unique experience and fills us with joy and emotion as we contribute to improving the quality of life of the residents, especially children, in beautiful but remote areas of our country, such as Donoussa. We remain committed to implementing initiatives that enhance the lives of our fellow citizens on the islands, always in collaboration with Symplefsi.”*
